

Olbas nasal spray

NASAL DECONGESTANT

A natural yet effective decongestant for the relief of blocked noses. Works within 2 minutes.

With essential oils of eucalyptus, niaouli and wild mint.

OLBAS® DECONGESTANT nasal spray combines essential oils of eucalyptus, niaouli and wild mint with hypertonic seawater for gentle, effective relief of blocked noses.

It unblocks the nasal passages and helps prevent the spread of viral infections and bacteria while the mint provides an immediate refreshing sensation.

HOW TO USE:

- Shake the bottle before use.
- Tilt the bottle to one side, press the nozzle firmly for at least one second, repeat until obtaining the first spray.
- Spray in each nostril, with the head upright.
- Blow nose.
- Wash the nozzle with hot water after each use and dry properly.
- Use up to 6 times a day.

OLBAS® DECONGESTANT nasal spray is suitable for adults and children age six years and over. Children should only use the product under adult supervision.

INGREDIENTS:

Sterilised seawater (22g/l hypertonic concentration mineral salts), essential oils of eucalyptus globulus, niaouli and wild mint.

OLBAS® DECONGESTANT nasal spray does not impair the functioning of nasal mucosa.

PRECAUTIONS:

- Use within 6 months of opening.
- Not for use during pregnancy or while breastfeeding, or if allergic to any of the ingredients.
- See your GP if symptoms do not ease within 10 days.
- Temporary tingling may occur during use.
- Keep out of reach and sight of children.
- Do not use after expiry date printed on the package.
- Store at room temperature.
